School after TBI: Tools to Achieve Success

Jennifer Lundine, PhD, CCC-SLP
Associate Professor
Department of Speech & Hearing Science

Cassondra Wilson, MA, CCC-SLP
Assistant Clinical Professor
Introductions

Jennifer Lundine  Cassondra Wilson
1. Why school can be tough after TBI
2. The importance of transitions
3. Some resources
4. Discussion
School after TBI
Challenges returning to school after TBI
Transitions
Essential to find the people who can connect you to resources to help you succeed
Younger students
High School Resources: Transition Coordinators
Transitioning to College
EXAMPLE CASE
Some resources
Center for Brain Injury Research & Training: Returntoschool.org

I’m Determined (Virginia Dept of Education): Imdetermined.org

Brain Injury Association of Ohio: BIAOH.org

Brain Injury Association of America: BIAUSA.org

Understood for All, Inc.: Understood.org

Ohio State University Speech & Hearing Clinic: sphs.osu.edu/clinic
If the plan doesn't work, change the plan but never the goal.
