TDAI is interested in partnering with corporate, campus, and individual partners who share a passion for creating pathways to data science and analytics for women and underrepresented minorities. In addition to the list of opportunities below, in-kind donations are also welcome.

**Leadership Partner - $15,000+ (3 opportunities available)**
A donation of this amount covers costs for 30 campers and 6 student mentors to attend all five days of camp. Partners giving this amount are recognized as leaders of change for data science and analytics. They may serve on the advisory board of the camp; will have an opportunity to present at one of the camp’s lunchtime events; receive a special invitation to and be recognized at the camp’s closing ceremony; and will receive recognition as a leadership partner with their logo on the camp webpage and printed and promotional materials.

**Difference Maker - $5,000**
Partners giving this amount are recognized as important partners of the summer camp and will receive recognition with their logo on the camp webpage and printed and promotional materials; and receive a special invitation to and be recognized at the camp’s closing ceremony.

**Partner - $1,000**
Partners giving this amount are recognized as important partners of the summer camp and will receive recognition with their logo on the camp webpage and printed and promotional materials.

Please contact Jenna McGuire at mcguire.165@osu.edu to discuss any of the opportunities above.
